Web Designer Trainee  
**Key Skills:** Web Design

As a Web Designer intern, I developed and maintained websites as per specifications, Assisted in website design and application testing, Optimized multimedia content for web compatibility, Researched and implemented emerging technologies.

## PROJECTS

### Cab Management System

Team Size: 3

**Key Skills:** HTML CSS Javascript MySQL PhpMyAdmin

As part of DBMS Project (5th Semester), collaborated in a team of three to develop a web-based system using HTML, CSS, JavaScript, MySQL, and PHP for cab booking, user registration, driver management and ride history tracking.

### The Weather App

**Key Skills:** HTML5 CSS Javascript API

The Weather App is a simple web application that allows users to check real-time weather information for any city around the world. This application utilizes the OpenWeatherMap API to fetch current weather data, providing temperature, humidity, and weather conditions in an easy-to-read format.

## ACHIEVEMENTS

- Microsoft Certified in Azure Fundamentals (AZ-900)
- Certified in Demystifying Networking

ASSESSMENTS / CERTIFICATIONS

Microsoft Azure Fundamentals (AZ-900)

Artificial Intelligence Fundamentals

Generative AI in Action

SEMINARS / TRAININGS / WORKSHOPS

Nonverbal Communication Training Program Institute Name: Rubicon

27 Jan, 2025 - 30 Jan, 2025

Key Skills: Communication Collaboration

This program enhanced participant's ability to interpret and use nonverbal cues effectively. It covers body language, facial expressions, gestures, posture, eye contact, and tone of voice to improve communication, build rapport, and convey confidence. Practical exercises help align verbal and nonverbal messaging for clearer, more persuasive interactions.

EXTRA CURRICULAR ACTIVITIES

- Attended various masterclasses and workshops related to technology.
